Extra Victory Bonds are on sale

Bankers will say that they are the best investment ever offered you.

The GIs in conquered Tokyo and Berlin will say that today is a new moment for you to show that you are helping.

The economist will say the Victory Loan is the opening of the home front's greatest anti-inflation offensive.

Too R. Quimble, National Director of the War Finance Division, declares that millions of volunteers are in action with inexhaustible supplies of an incomparable product to sell fellow Americans.

The Victory Loan is all of these things. It represents your will to help the government pay off the costs, care for the wounded, maintain our troops abroad, finance the return to civilian life of millions of fighting men.

From every angle, you will be serving your own best interest by seeking out the nearest Victory Bond salesman. You can't buy too many or too often for your own good.
